Zonic (Gold)

Step 1

Using a sponge, apply white above the eyes. Then apply gold above the eyes, on the forehead for the signature hair, and on the nose and cheekbones.

Step 2

Using the sponge, add orange shading to the forehead area and above the nose.

Step 3

Then add shading above the eyes and around the cheekbones.

Step 4

Use a round brush to paint a black nose and add details to the hair and above the eyes.
