Tiger (blue)

Step 1

Using a sponge, apply white above the eyes and around the nose and mouth.

Step 2

Using a sponge, apply paint from the ICE Rainbow Cake across the forehead and cheeks.

Step 3

Using the sponge, gently blend the edges between the white and blue. Then use a round brush to paint a black nose.

Step 4

Paint a black muzzle from the corner of the mouth up around the nose. Add whisker dots towards the nose.

Step 5

Paint the tiger stripes towards the inner corner of the eye using a thin-thick-thin stroke. Add a few dots for detail.

Step 6

Finish by painting small teeth at the corners of the mouth.
