Minecraft

Step 1

Using a flat brush, paint a green square with the darkest color on the outside.

Step 2

Using the same brush, add random strokes.

Step 3

Repeat this on both sides of the square.

Step 4

Using a smaller flat brush, paint the eyes and mouth with black.

Step 5

Using the end of the brush, outline the Creeper's head and add random lines. Finally, add highlights with white.
