Spider-Man

Step 1

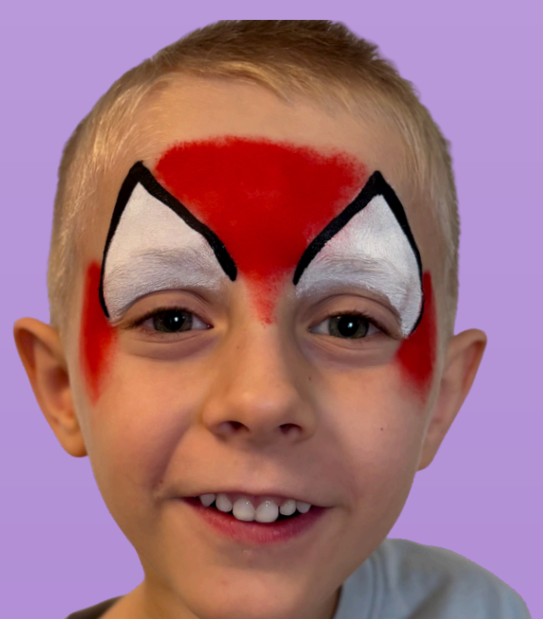

Using a sponge, apply white above the eyes.

Step 2

Using the sponge, apply red on the forehead and along the sides above the cheekbones.

Step 3

Using a round brush, paint black teardrops to frame the eyes.

Step 4

Create the web by painting 3 long teardrops between the eyes and 3 short teardrops on each side of the eyes.

Step 5

Paint curved lines between the teardrops to create a spiderweb effect.

Step 6

Use a dot stencil to add extra details, then add highlights with white.
