Unicorn

Step 1

Apply the silver horn using a sponge and stencil. Then paint white ears with an angle brush.

Step 2

Dab a little pink into the center of the ears using the sponge.

Step 3

Use a round brush or petal brush to add flower petals to the inner and outer corners of the eyes, and around the horn.

Step 4

Use a round brush to add green leaves on both sides near the flowers.

Step 5

Add small details such as dots and stars. Outline the ears with white.

Step 6

Optional: Add a colored lip to bring the design together.
